

NEVADA COUNCIL ON PROBLEM GAMBLING

presents

Problem Gambling Counselor Training

For healthcare and other professionals

Overview

The Core Counselor Training Program is comprised of eleven (11) separate education modules, each consisting of three hours of instruction presented in a group classroom setting. Modules are presented in individual morning, afternoon or evening sessions, at multiple times throughout the year. Participants may attend any number of modules in any order but must initially complete Module 1 as a prerequisite for all other modules. This flexible delivery system allows greater access to training opportunities for Nevada's working professionals.
